

WeFlyLex.com Real Estate Package \$149

We offer an aerial photography package just for real estate in Lexington, KY. The package is designed for homes in Fayette County on one acre of land or less. We will spend up to 75 minutes on-site from setup to pack-up. Additional time can be added at \$119/hour. The \$149 package includes:

- Up to 20 photos
- Multiple photos of front and back of home, HVAC (if possible), roof, and entire lot
- Photos of immediate street and surrounding homes
- Photos of park, pond, clubhouse or other point of interest in the immediate neighborhood
- Watermark for photos (examples: realtor's name, website, phone number, or house address)
- No travel charges in Fayette County!
- Add raw video footage of property for \$50 (limited to area clear of trees, power lines and other obstructions)
- Video editing (transitions, music, clip edits) can be added at \$119/hour

Not in Fayette County? No problem. Call! We will travel.

We fly farms too!

Estates and farms need more pictures and video footage. We can put together a package to fit your budget. Call us today!

Recommendations

To get the most out of your photos and videos, before we fly we recommend:

- Clean up the property – removing stray toys, yard equipment, downed trees, etc.
- Mow and trim the lawn
- Remove cars from driveway(s)
- Close garage door(s)
- Picking a time when the sun's position best illuminates the home – we will help!
